

WHOLESALE POLICIES & PRICING

PRICING: Minimum first wholesale order is **\$100** (at wholesale prices, not including shipping); there is no minimum on reorders.

Please note there is a **4 item minimum** when ordering a specific scent. This applies to all our products, including soaps. Custom orders are welcome.

Our wholesale pricing offers a **50% discount on our retail prices**. Our website (<http://www.bunnybuttapothecary.com>) functions as our full catalog—please also refer to our site for the most current listing of our available scents.

Please note that certain products (such as the Bunny Butt(er)s) are seasonal and may not be available year round. Please also note that wholesale pricing is not currently available on our The Pits Veggie Protein Deodorants—we apologize for the inconvenience!

PAYMENT: We accept payment by credit card (Visa/MasterCard/American Express/Discover), check, money order, or PayPal.

SHIPPING: The entire order amount (including shipping costs) must be paid for in full before your order will ship. We generally ship orders by UPS or USPS Priority Flat Rate, depending on the most cost efficient method—please note that the customer is responsible for all shipping charges.

Please allow up to 4 weeks for order processing. We will do our best to ship your order as quickly as possible (our typical processing time is around a week), but please be prepared for larger orders—especially ones including soap, due to time required for curing—to take the full time span allotted.

EVERYTHING ELSE: Due to the handcrafted and sensitive nature of our other products, we cannot offer a guaranteed return policy on these items. Since everything is made by hand in small batches, there will be variations from one batch to the next. These variations are an inherent quality of our products and contribute to their unique value. For this reason, we cannot accept returns due to variations in color, size, texture or scent.

We attempt to represent our packaging accurately in our photos; however, containers are always subject to change due to discontinuation of supply. Please notify us if you'd like a specific type of packaging.
